From our studies thus far, we have seen that the heart of the Gospel is the good news that "Christ died for our sins." In this simple phrase we have summarized the facts that God wants us to know and accept – that is: (1) that we are sinners; (2) that the penalty for sin is death; (3) that Jesus Christ, through the shedding of His blood on the cross, paid this death penalty for us.

Christ has done everything that is necessary for salvation. It is for this reason that the one thing God commands us to do if we are to receive His salvation is: "Believe on the Lord Jesus Christ..." (Acts 16:31)

But some will say, "I believe already." However, the word "believe," as used in the Bible, does not mean simply a mental assent to certain facts or doctrines, but rather, a complete trust in a Person. To believe in Jesus Christ in the Biblical sense, then is something quite different from believing about George Washington or Napoleon. It is an act of the will, and not of the intellect only.

Jesus told certain Jews: "...Ye will not come to Me, that ye might have life." To "believe," then, means to come directly and personally to Jesus Christ for salvation.
